SUBCHAPTER VI—RURAL BROADBAND
ACCESS

§ 950bb. Access to broadband telecommunications services in rural areas

(a) Purpose

The purpose of this section is to provide loans and loan guarantees to provide funds for the costs of the construction, improvement, and acquisition of facilities and equipment for broadband service in rural areas.

(b) Definitions

In this section:

(1) Broadband service

The term “broadband service” means any technology identified by the Secretary as having the capacity to transmit data to enable a subscriber to the service to originate and receive high-quality voice, data, graphics, and video.

(2) Incumbent service provider

The term “incumbent service provider”, with respect to an application submitted under this section, means an entity that, as of the date of submission of the application, is providing broadband service to not less than 5 percent of the households in the service territory proposed in the application.

(3) Rural area

(A) In general

The term “rural area” means any area other than—

- (i) an area described in clause (i) or (ii) of section 1991(a)(13)(A) of this title; and
- (ii) a city, town, or incorporated area that has a population of greater than 20,000 inhabitants.

(B) Urban area growth

The Secretary may, by regulation only, consider an area described in section 1991(a)(13)(F)(i)(I) of this title to not be a rural area for purposes of this section.

(c) Loans and loan guarantees

(1) In general

The Secretary shall make or guarantee loans to eligible entities described in subsection (d) to provide funds for the construction, improvement, or acquisition of facilities and equipment for the provision of broadband service in rural areas.

(2) Priority

In making or guaranteeing loans under paragraph (1), the Secretary shall give the highest priority to applicants that offer to provide broadband service to the greatest proportion of households that, prior to the provision of the broadband service, had no incumbent service provider.

(d) Eligibility

(1) Eligible entities

(A) In general

To be eligible to obtain a loan or loan guarantee under this section, an entity shall—

(i) demonstrate the ability to furnish, improve, or extend a broadband service to a rural area;

(ii) submit to the Secretary a loan application at such time, in such manner, and containing such information as the Secretary may require; and

(iii) agree to complete buildout of the broadband service described in the loan application by not later than 3 years after the initial date on which proceeds from the loan made or guaranteed under this section are made available.

(B) Limitation

An eligible entity that provides telecommunications or broadband service to at least 20 percent of the households in the United States may not receive an amount of funds under this section for a fiscal year in excess of 15 percent of the funds authorized and appropriated under subsection (k) for the fiscal year.

(2) Eligible projects

(A) In general

Except as provided in subparagraphs (B) and (C), the proceeds of a loan made or guaranteed under this section may be used to carry out a project in a proposed service territory only if, as of the date on which the application for the loan or loan guarantee is submitted—

- (i) not less than 25 percent of the households in the proposed service territory is offered broadband service by not more than 1 incumbent service provider; and
- (ii) broadband service is not provided in any part of the proposed service territory by 3 or more incumbent service providers.

(B) Exception to 25 percent requirement

Subparagraph (A)(i) shall not apply to the proposed service territory of a project if a loan or loan guarantee has been made under this section to the applicant to provide broadband service in the proposed service territory.

(C) Exception to 3 or more incumbent service provider requirement

(i) In general

Except as provided in clause (ii), subparagraph (A)(ii) shall not apply to an incumbent service provider that is upgrading broadband service to the existing territory of the incumbent service provider.

(ii) Exception

Clause (i) shall not apply if the applicant is eligible for funding under another subchapter of this chapter.

(3) Equity and market survey requirements

(A) In general

The Secretary may require an entity to provide a cost share in an amount not to exceed 10 percent of the amount of the loan or loan guarantee requested in the application of the entity, unless the Secretary determines that a higher percentage is required for financial feasibility.
